Our Graduating Teens

Luis and Delia are two of our teens who will successfully complete high school this May. What an achievement — CONGRATULATIONS! They are both planning to continue their education at Phoenix Community College. Both hope to attend college with the help of grants and scholarships.

Luis & Delia

We have asked them to share with us some of the hurdles of making it through high school.

Q1. What would you say helped you make it through High School?

Luis: Being involved in sports helped me keep my grades up. If I didn't keep a high enough average, I would not be allowed to play.

Delia: Commitment and sports helped me stay focused.

Q2. What was the most difficult struggle you had in High School?

Luis: Not being able to play basketball in my senior year due to some conflicts.

Delia: Math was the most difficult struggle for me.

Q3. How did you overcome your struggle?

Luis: I had to look for an alternative sport. Hopefully I will be able to play tennis this season.

Delia: I try to get help through the tutoring program in school.

AUCTION UPDATE

Praise God for the many people who came and volunteered their time and the many who worked quietly and graciously to donate many quilts, wall hangings and furniture.

This year, we added a Silent auction.

The 8th Annual auction on February 8, 2003 was one more day of seeing how our God is faithful in providing for our needs.

Despite the rain, the cheer and excitement of the festivities shone through!

We were blessed to have support from many friends of Aim Right including the auctioneers who volunteered their services!

The highest bid of the day was a "Rose buds Appliqué" quilt at \$1,675. Many other beautiful quilts and handmade crafts went on the block. The auction brought in about \$17,700 of gross proceeds.

What's New

Charles Beachy from Plain City, Ohio, concluded his 1 year service with us on March 4, 2003. We really appreciated his time and help while he was here. Thanks.

New Intern **Jeffrey Yoder** from Bay Port, Michgan joined us in January.
